

Y.O.U. & Uniteen Heart Agreements

Because our purpose as the Youth Of Unity (Y.O.U.) & Uniteens is to help each other develop a stronger connection with the God of our own understanding and learn how to use Truth principles in our everyday lives, I make these heart agreements between myself and all other event participants:

1. I agree to look for the highest good in all, and to fully participate with the group in all activities, bringing with me a positive and loving attitude.
2. I will support and respect my fellow teens, my leaders and myself. Specifically, I agree:
 - to listen when others are talking.
 - to practice centering during meditation and prayer.
 - to avoid put downs, pranks or judgments of others or myself.
 - to avoid language, jokes or music which offend others.
 - to leave my cell phone or pager off and locked in the car or other designated area.
3. I agree to respect the facilities, equipment, environment and everyone's personal belongings.
4. I agree to follow directions and remain in designated areas unless authorized by a sponsor or other adult. Specifically, I agree:
 - to attend ALL scheduled activities and be on time for them.
 - not to enter the sleeping quarters of the opposite sex.
 - to honor quiet time and lights out.
 - to get a good night's sleep.
5. I agree to seek "natural highs" only, and will abstain from alcohol, tobacco, artificial stimulants and illegal substances.
6. I agree to refrain from aggressive rough housing, fighting and other inappropriate physical contact. Even if I am dating another teen, I recognize that intimate behavior is inappropriate at group events.
7. If I show that I do not understand what appropriate behavior in this group setting is, I will respect the authority of leaders to lay out more specific guidelines for me or remove me from the group until I am ready to honor all agreements.
8. I will have FUN!

I understand these agreements are necessary for everyone's benefit, including my own, and recognize my responsibilities as a member of the Y.O.U./ Uniteens
